How much do you need?

We'll be able to help you accurately work out how much you'll need, but use this calculator for a rough estimate. Most of our wallpapers are 10 metres in length and 52cm wide (32'x20.47"). Measure the length of all your walls and add them together to get the total distance.

Distance around room	Wall height		
	2.3 – 2.4m	2.4 – 2.6m	2.6 – 2.7m
10m (33')	5	5	6
12m (39')	6	6	7
14m (46')	7	7	8
16m (52')	8	8	9
18m (59')	9	9	10
20m (66')	10	10	11
